1. *Email is the method used to inform families of space so please make sure to check your junk/spam folder to ensure that you are receiving emails from the WCC. It is your responsibility to notify us of any changes to contact information.
2. Upon receipt of this application form, your child will be placed on our waitlist and a confirmation email will be sent to you from director@whistlerchildren.com.
3. Although every effort will be made to meet your request for childcare services, your Waitlist Application does not guarantee a space.
4. When a space becomes available to you, you will have 48 hours to either refuse or accept the space. If a parent decides not to accept the space or does not respond they will remain in their same position on the waitlist and this will be viewed as one refusal. After refusing **three** offers of child care space the child will be removed from the waitlist.
5. Although we empathize with how difficult it is to not have a timeline, due to the high volume of applicants and low turnover of spaces we are unable to respond to phone calls and/or emails regarding where your child is on the list or predicting when a space will become available.

I have read and accept the conditions above.
